Projects

Personal Portfolio Website | Live Demo | GitHub

Built with **React, Next.js, and Tailwind CSS**.

SUMMARY

A motivated and detail-oriented **Front-End Developer** with strong knowledge of **JavaScript**, **TypeScript**, **React**, **Next.js**, and **Tailwind CSS**. Experienced in building responsive, user-friendly, and high-performance web interfaces. Passionate about clean code, modern UI/UX practices, and continuous learning. Strong problem-solving abilities and a collaborative mindset within cross-functional teams.

EXPERIENCE

Front-End Developer Apprentice (Entry-Level)

Self-Initiated | Remote | [Year – Present]

- Gained hands-on experience with **JavaScript, TypeScript, React, Next.js, and Tailwind CSS**.
- Built responsive and interactive web interfaces to understand modern front-end workflows.
- Practiced writing **clean, modular, and maintainable code** and debugging UI/UX issues independently.
- Studied version control using **Git** and explored collaborative development practices in a team environment.
- Committed to continuous learning through online courses, tutorials, and documentation.

EDUCATION

2021	**High-School-Graduate** Shaheed Mohammad Hassan School
2025	**Bachelor's Degree in Computer Science** (*In Progress*) Herat University
